Up to 50% saving on Business Prime costs

SCOPE

The agreement allows access to the Amazon for Business eMarketplace incorporating access to a wide range of products usually required under the 'Tailend Spend' at institutions. These are low value non-strategic products where Framework Agreements are not already in place via consortia.

AGREEMENT BENEFITS

Amazon Business have been awarded the sole supply of this framework following a detailed compliant process under the Public Contract Regulations. The process followed was a Competitive Dialogue with evaluation taking place on all mandatory and discretionary exclusion areas prior to the resulting stages developing the requirement to the best fit for the sector.

System capabilities include:

- Customised reports and Analytics
- Customisation of supplier and product restrictions
- Workflow management

Centralised framework management through the NEUPC

USING THE FRAMEWORK

It is recommended that members consider the use of 'Business Prime' to enable the restriction of categories when implementing the system.
