### SCOPE

The Print Solution PRI3173 NW DPS has been divided into the following Categories.

The Print Solutions DPS has been established for the provision of the following goods and services:

The Scope of the DPS includes but is not limited to services that aid with the management of fully comprehensive end to end printing services from initial design to delivery, covering both services and finished physical or digital goods.

The scope will include both small volume and bulk printing- including lithographic, digital, large format, wide format and accessible printing; binding, copying, laminating, embossing and finishing. Products will include but not be limited to pre-printed stationery incl. envelopes, labels, postcards, booklets, calendars etc.; printing related to 'security' such as exam documents, name badges, plastic ID cards etc; printed and digital materials such as prospectuses, marketing fliers/leaflets, banners, signage, posters, brochures wallets and folders. The scope covers the provision of all elements of design work, web2print functionality and the fulfilment, packaging, storage and distribution of the in scope goods.

The scope also includes direct mail including database management, design and personalisation, printing, finishing, collation, and mailing of items to end users, on a non-mandatory basis.

### AGREEMENT BENEFITS

The benefits of using this DPS are:

- Access to commonly used suppliers, and the ability to direct preferred suppliers to the DPS for appointment;
- Mitigation of Procurement risk surrounding PCR compliant procurement;
- Reduced administrative effort and associated process savings at call-off;
- Pre-established Terms and Conditions;
- Flexibility to determine specific requirements at the call off stage;
- Consortium contract management support should you experience any issues with suppliers;
- Responsible procurement coverage including:

UKUPC Sustain Code of Conduct

NETpositive Futures Supplier Engagement Tool Action Plan

Mandatory application of Government Buying Standards

Real Living Wage consideration

Carbon Reduction consideration

EDI consideration
