October Update:

Lot 1 supplier, Working on Wellbeing completes demerger from parent company on 1st October 2024 and now trades as "Optima Health UK Limited." Registered company number is unchanged and a novation is not required.

Lot 7 - Beluga Pods are an SME with a new product due to be launched 2024. Additional information will be provided when available. Until this time members may elect to exclude from consideration in any award.

SCOPE

This agreement provides for the option for members to meet their occupational health (OHS), employee assistance (EAP), and student support services through digital apps. OHS and EAP services can be used to support both employees and students (SAP). You will be able to meet your requirements through the use of one or many lots, or separate call-offs for employees or students.

The full scope of the framework can be found in the documents section.

AGREEMENT BENEFITS

- This framework provides members with a wide choice of service providers
- Compliant route to health and wellbeing services.
- Published in FTS and OJEU - for funding requirements.
- Flexibility to meet the wide range of services need.
- OHS now available from suppliers committing to deliver services in four geographical areas.
- Focused on mental health and wellbeing with MHFA training.
- Supporting students via digital wellbeing options (lot 7)
