SCOPE

View [this presentation](#), delivered by LUPC Senior Category Manager Roy Dennis, which outlines the key aspects of the framework including the benefits, what's new and how to call-off.

The framework agreement covers the provision of legal services in a number of specialist areas detailed below. The framework agreement also has a one-stop shop to cover the provision of legal services in all areas. The one-stop-shop lot is particularly useful for projects which require the input of different specialisms and for members who prefer to have a sole supplier to cover the entirety or majority of their legal services requirements.

- Lot 4 - One-stop Shop
